

GLA HospitalityStudio H.S.

Designing hospitality means creating a welcoming and magical touch in all human environments: Hotels, Homes and Work Places.

GLA Hospitality Studio (GLAHS) is the interior design divison of GLA

“We believe that magic, humour, love and generosity are the keywords in hospitality design”

GLA (Genius Loci Architettura) is one of the most important italian design firms specialising in planning, architecture, interior design

*Operating as one firm with two studios in Milan and Florence, GLA is led by 3 Partners and 2Directors.
GLA’s diverse portfolio comprises corporate, hospitality, residential, historic preservation, retail as well design services for diplomatic missions. We employ 30 permanent staff beside outsourced resource.*

Our success is a reflection of our ability to carefully listen to our client’s brief, assess their needs, fulfil their vision and exceed their expectations by creating architecture that is functional, practical and aesthetically pleasing for comfortable living and working environments from the concept to the smallest detail that meet our clients needs.
